FROM THE ADAPT LIBRARY

About this collection

This book comes from the working library we source against every week. It is published by one of Adapt Group's partner factories, and it is reproduced here as part of our Cabinets collection — the range behind the quotes we write.

Adapt is a materials company, not a showroom. We buy **factory-direct** from our manufacturing partners overseas and deliver to your job site in Florida with **shipping, tariffs, and customs included** in the landed quote — one number, no freight surprises after the fact.

Treat this catalog as a sample of the range, not the limit of it. The catalog shows only a portion of what Adapt can source — if a specification, finish, or product isn't in these pages, ask. **Nothing is not available.**

Specifications and pricing are confirmed per project: send us your plans or a takeoff and we will spec-match the products, price the full package landed, and confirm every detail in writing before anything ships.

SOURCING	Factory-direct, through Adapt's manufacturing partners
LANDED QUOTES	Shipping, tariffs, and customs included — one number
PRICING	Confirmed per project, from your plans or takeoff
DELIVERY	To your job site, anywhere in Florida

Adapt Group LLC

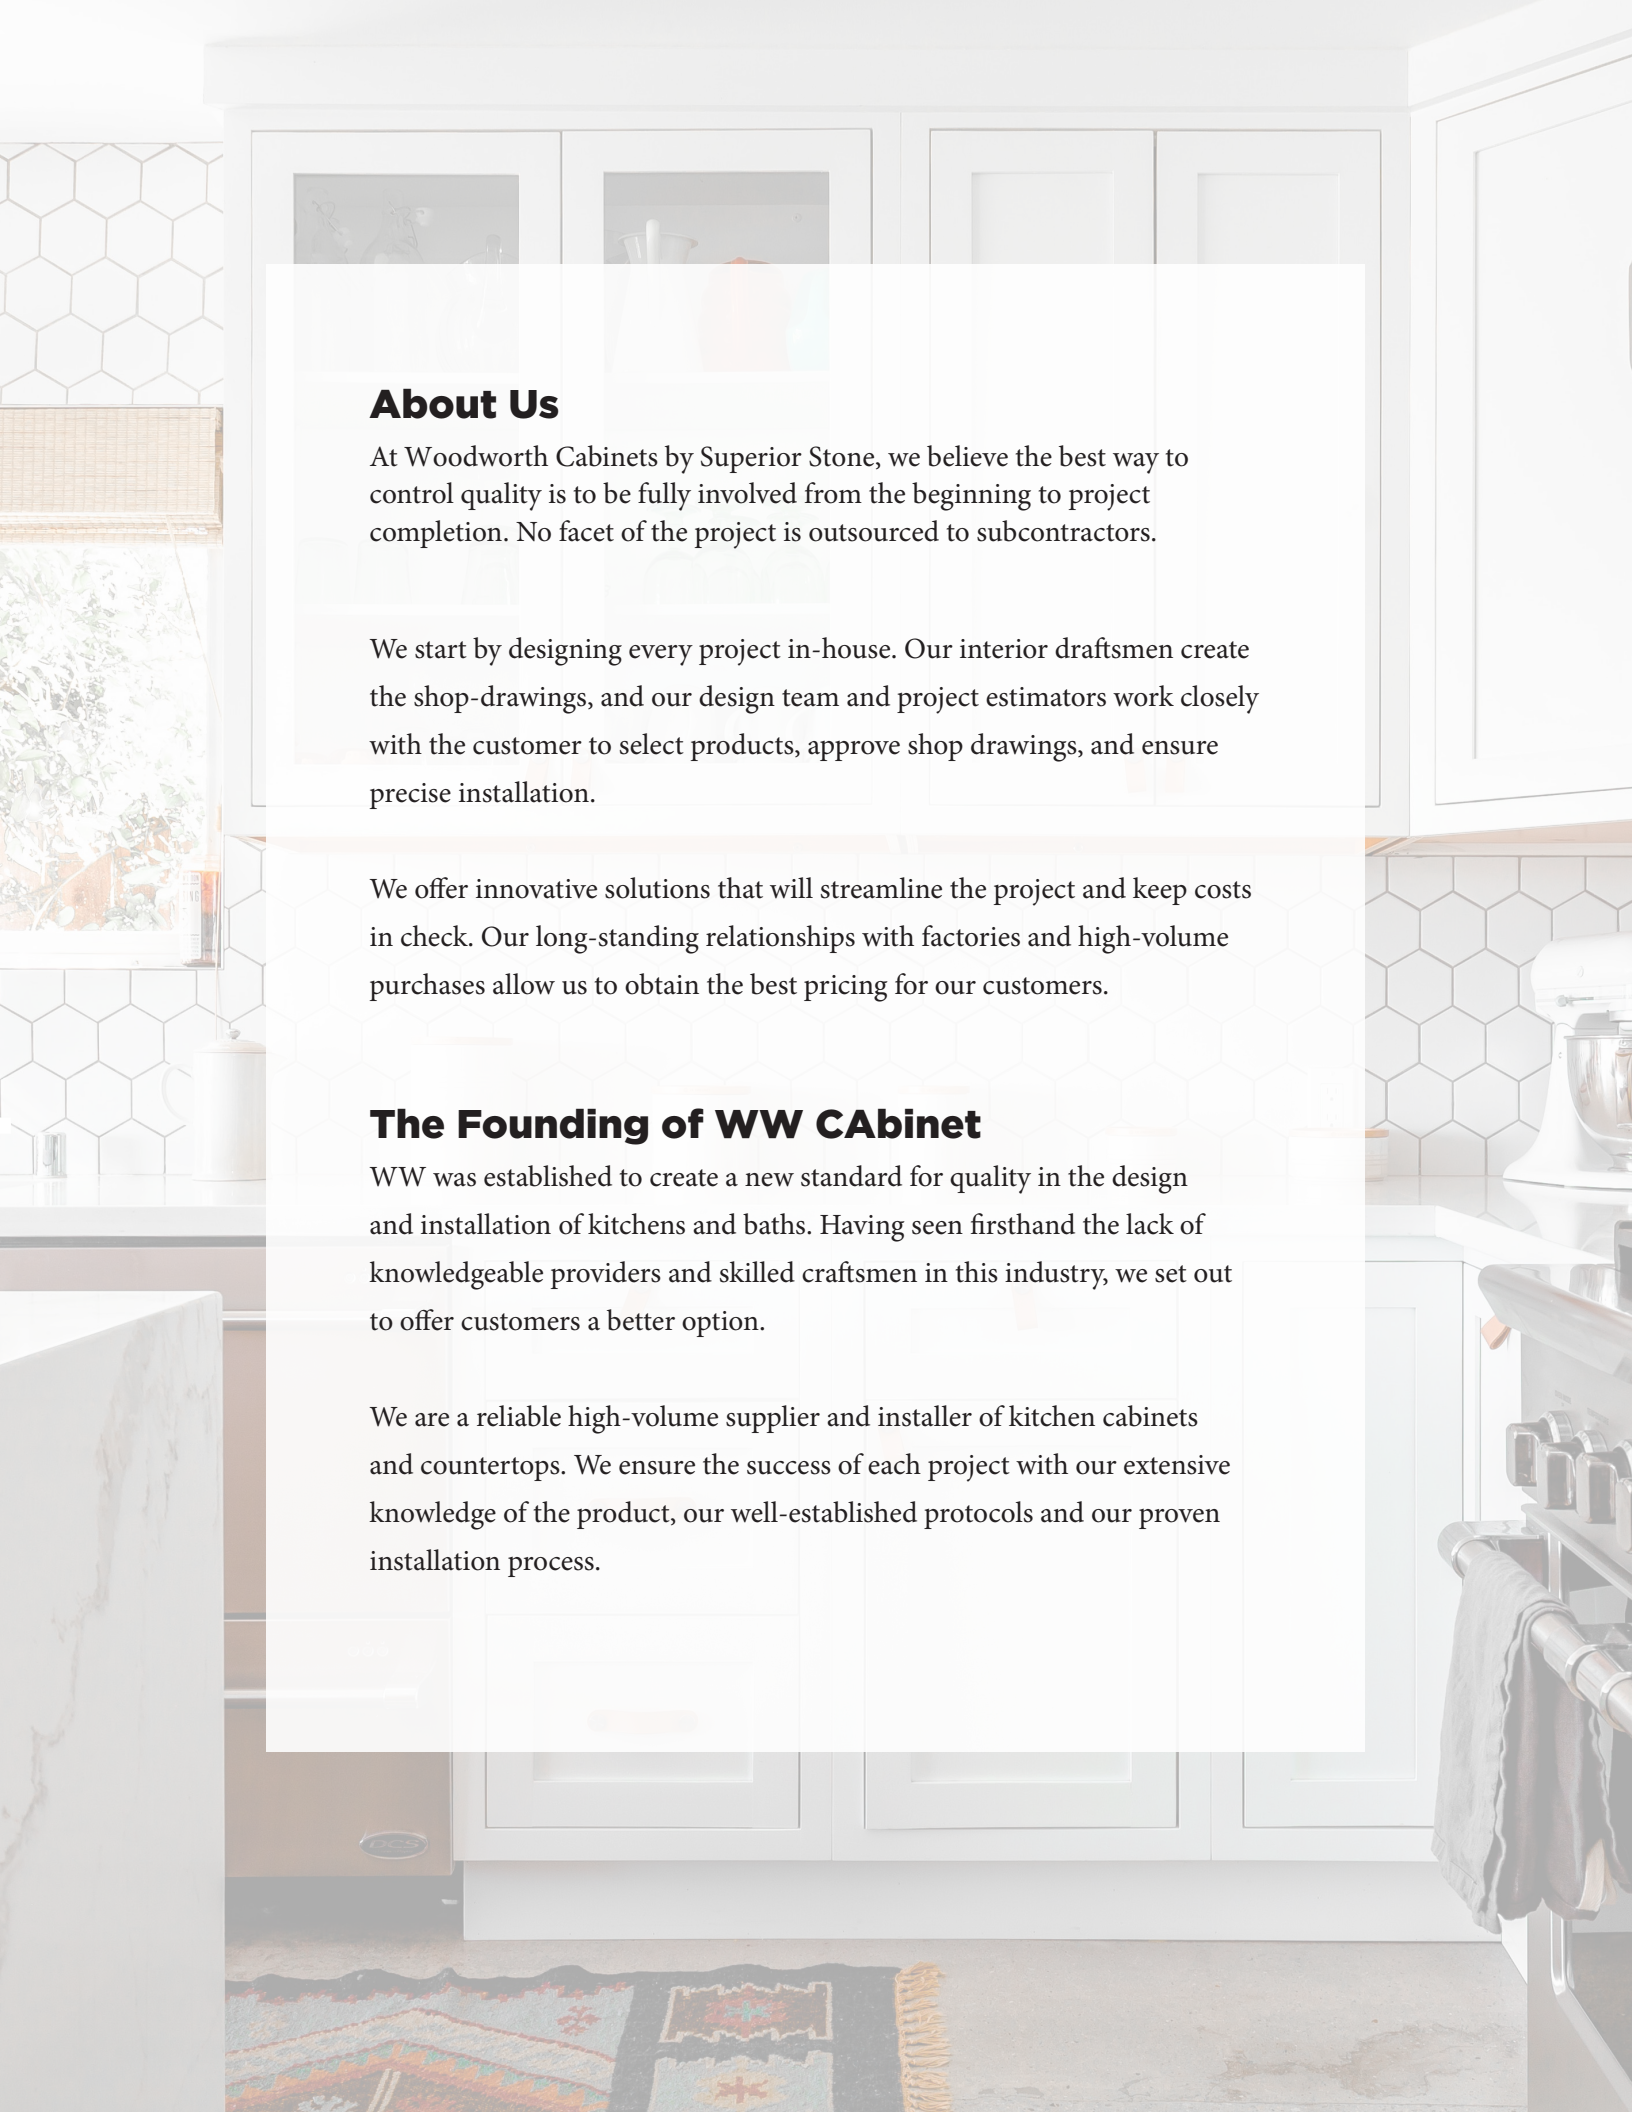

FORT LAUDERDALE, FLORIDA · GEORGE@HARMONYSURFACE.COM · ADAPTGROUP.NET

This catalog is published by an Adapt Group supply partner and reproduced for project reference. Product photography, drawings, and specifications are the manufacturer's; final specifications, quantities, and pricing are confirmed in writing with every quote. Adapt Group LLC is a materials supplier, not the manufacturer of the products shown.

About Us

At Woodworth Cabinets by Superior Stone, we believe the best way to control quality is to be fully involved from the beginning to project completion. No facet of the project is outsourced to subcontractors.

We start by designing every project in-house. Our interior draftsmen create the shop-drawings, and our design team and project estimators work closely with the customer to select products, approve shop drawings, and ensure precise installation.

We offer innovative solutions that will streamline the project and keep costs in check. Our long-standing relationships with factories and high-volume purchases allow us to obtain the best pricing for our customers.

The Founding of WW CAbinet

WW was established to create a new standard for quality in the design and installation of kitchens and baths. Having seen firsthand the lack of knowledgeable providers and skilled craftsmen in this industry, we set out to offer customers a better option.

We are a reliable high-volume supplier and installer of kitchen cabinets and countertops. We ensure the success of each project with our extensive knowledge of the product, our well-established protocols and our proven installation process.

Cabinet Construction

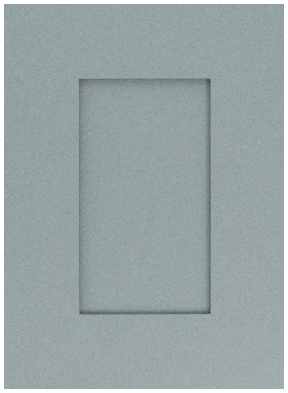

1. Full overlay panel, ¾ inch thick solid wood
2. 6-way adjustable European-style hinge with soft-close feature
3. Shelving is ¾ inch thick cabinet-grade plywood with front edge banding
4. Dovetail drawers with solid wood on all sides, full extension
5. Under-mount full extension drawer glides with soft-close feature
6. ½ inch cabinet-grade plywood box, UV coated natural plywood on interior
7. Bracket reinforcements for base cabinet
8. Double-doweled face frame joint
9. Hardwood face frame
10. Door bumpers
