FROM THE ADAPT LIBRARY

About this collection

This book comes from the working library we source against every week. It is published by one of Adapt Group's partner factories, and it is reproduced here as part of our Granite Countertops collection — the range behind the quotes we write.

Adapt is a materials company, not a showroom. We buy **factory-direct** from our manufacturing partners overseas and deliver to your job site in Florida with **shipping, tariffs, and customs included** in the landed quote — one number, no freight surprises after the fact.

Treat this catalog as a sample of the range, not the limit of it. The catalog shows only a portion of what Adapt can source — if a specification, finish, or product isn't in these pages, ask. **Nothing is not available.**

Specifications and pricing are confirmed per project: send us your plans or a takeoff and we will spec-match the products, price the full package landed, and confirm every detail in writing before anything ships.

SOURCING	Factory-direct, through Adapt's manufacturing partners
LANDED QUOTES	Shipping, tariffs, and customs included — one number
PRICING	Confirmed per project, from your plans or takeoff
DELIVERY	To your job site, anywhere in Florida

YOUR TRUSTED PARTNER

20 YEARS EXPERIENCES

Founded in 2009, Superior began as a dedicated supplier and installer of countertops for multi-family projects across the United States. Over the years, our commitment to quality and service helped us build a strong foundation, completing dozens of successful projects annually.

In 2018, we expanded our offerings to include cabinetry, allowing us to serve a broader range of clients and increase our project volume. This expansion led to an average of 50 countertop and 25 cabinet projects per year. Our growth can be attributed to a simple but effective strategy: providing exceptional products combined with outstanding customer service. As a result, we've continued to earn the trust of both new and returning clients, solidifying Superior Stone & Cabinets as the go-to turn-key provider for countertops and cabinetry in multi-family developments.

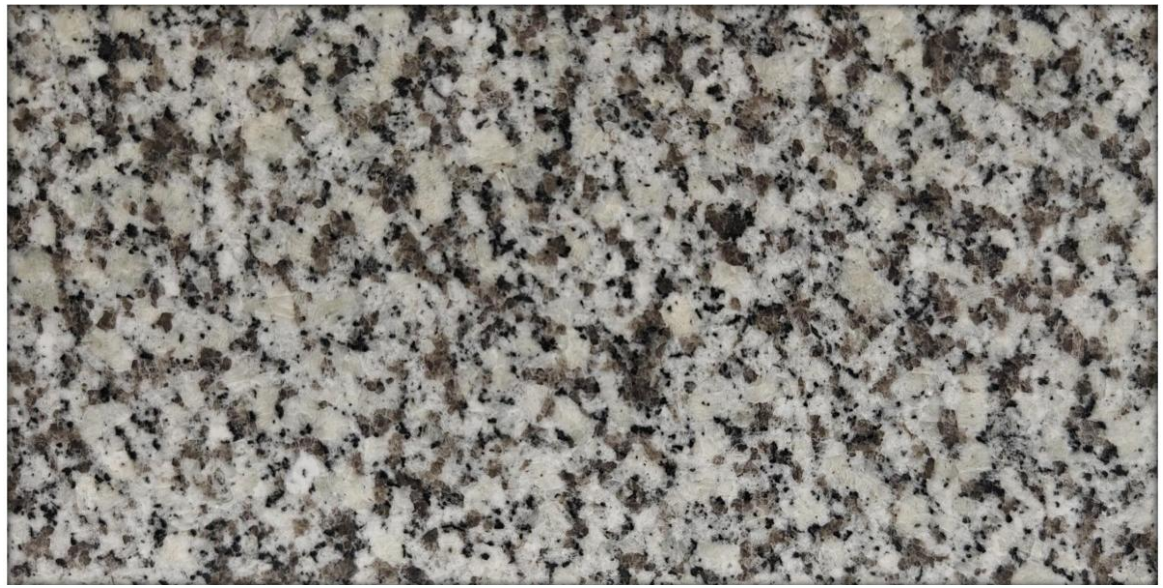

Today, Superior has proudly completed over 500 projects nationwide, generating over $200 million in revenue. Our track record speaks to our dedication to excellence and our ability to deliver high-quality solutions on time and on budget.
